

Plus-par: **Plakater**

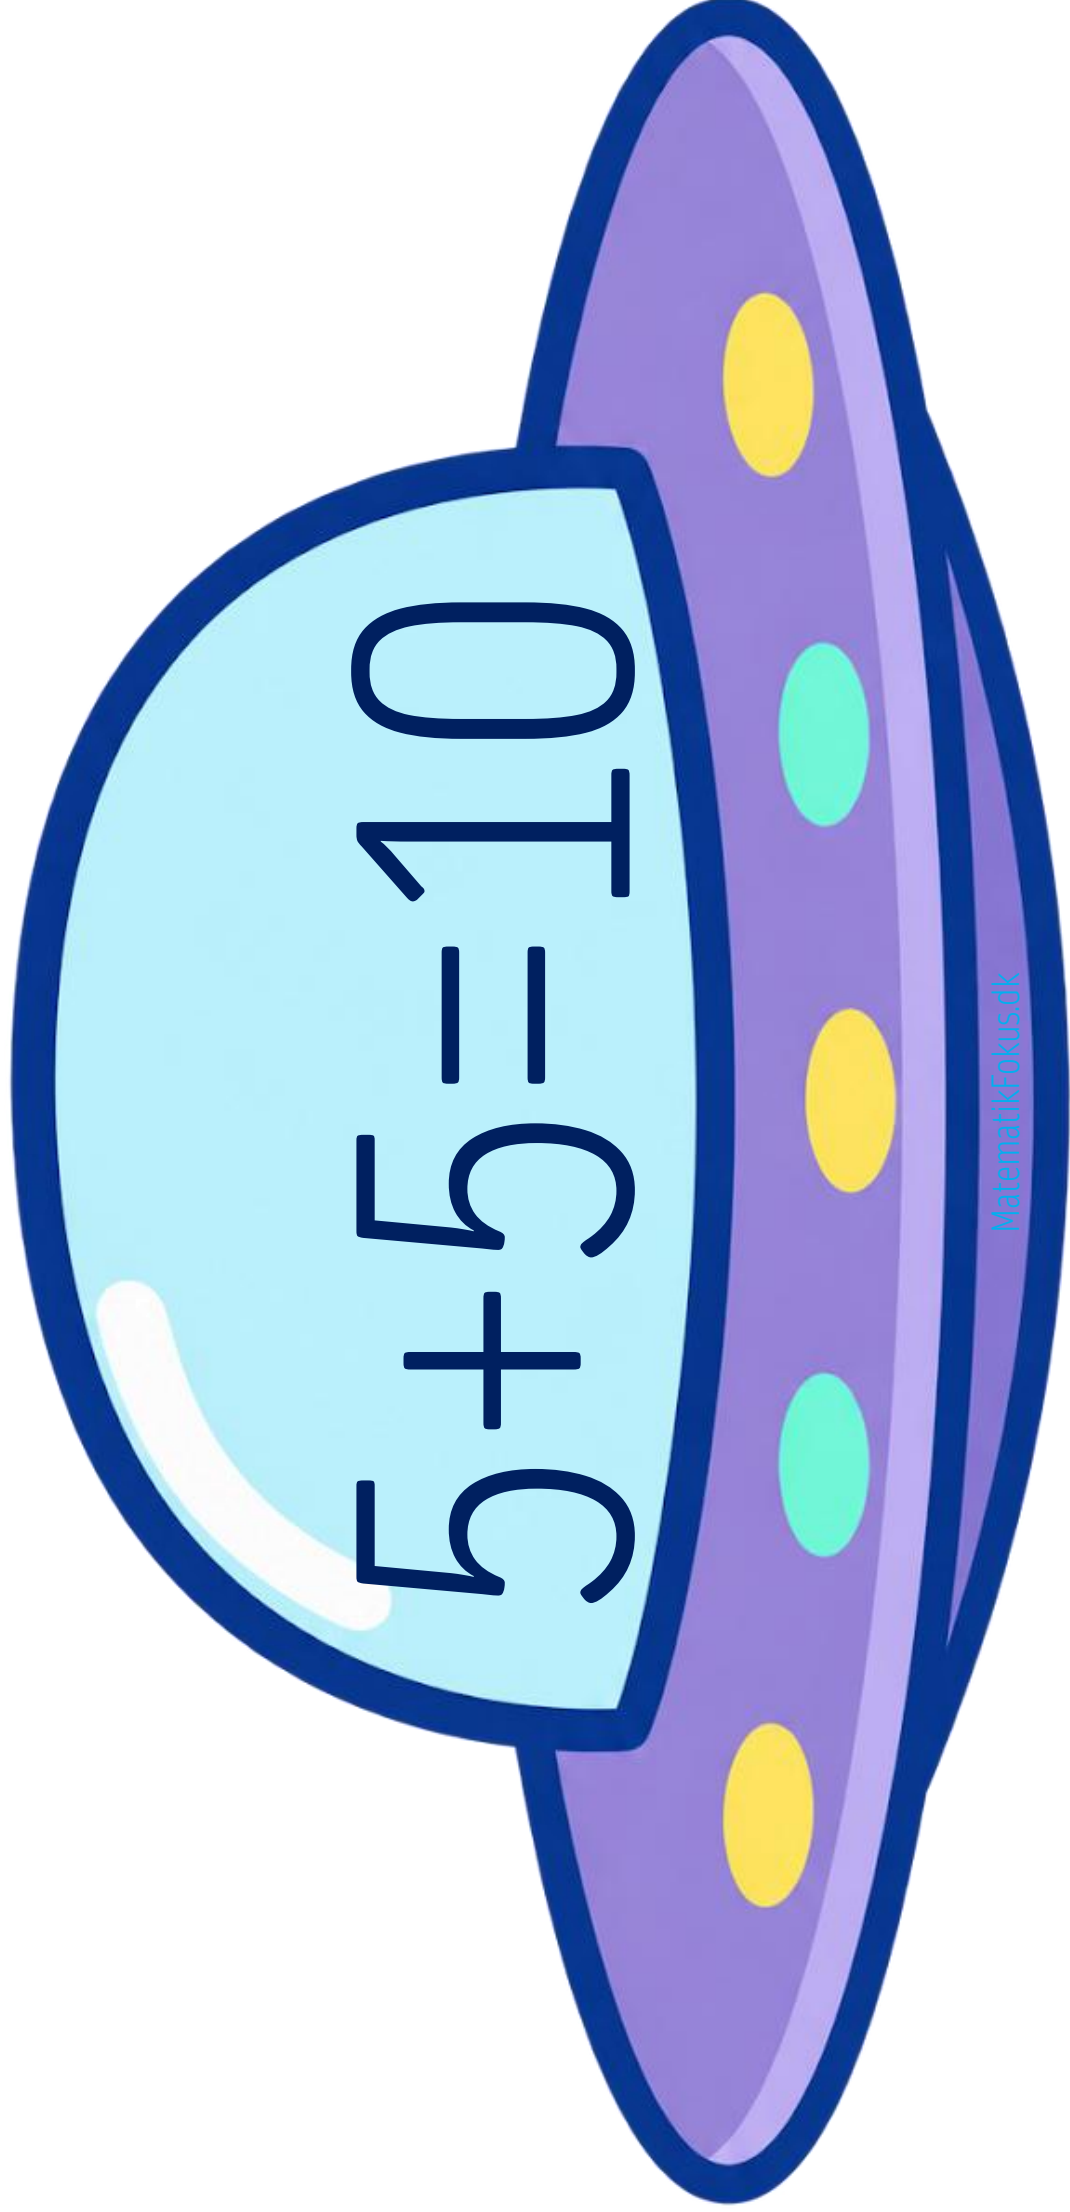

Print, laminer og klip disse fine UFO'er ud. Hæng dem op i dit klasselokale så dine elever altid ved, hvor de kan søge hjælp til Plus-parrene. Du behøver naturligvis ikke hænge dem alle op på én gang – du kan altid finde dem på [matematikfokus.dk](http://matematikfokus.dk) når du får brug for dem

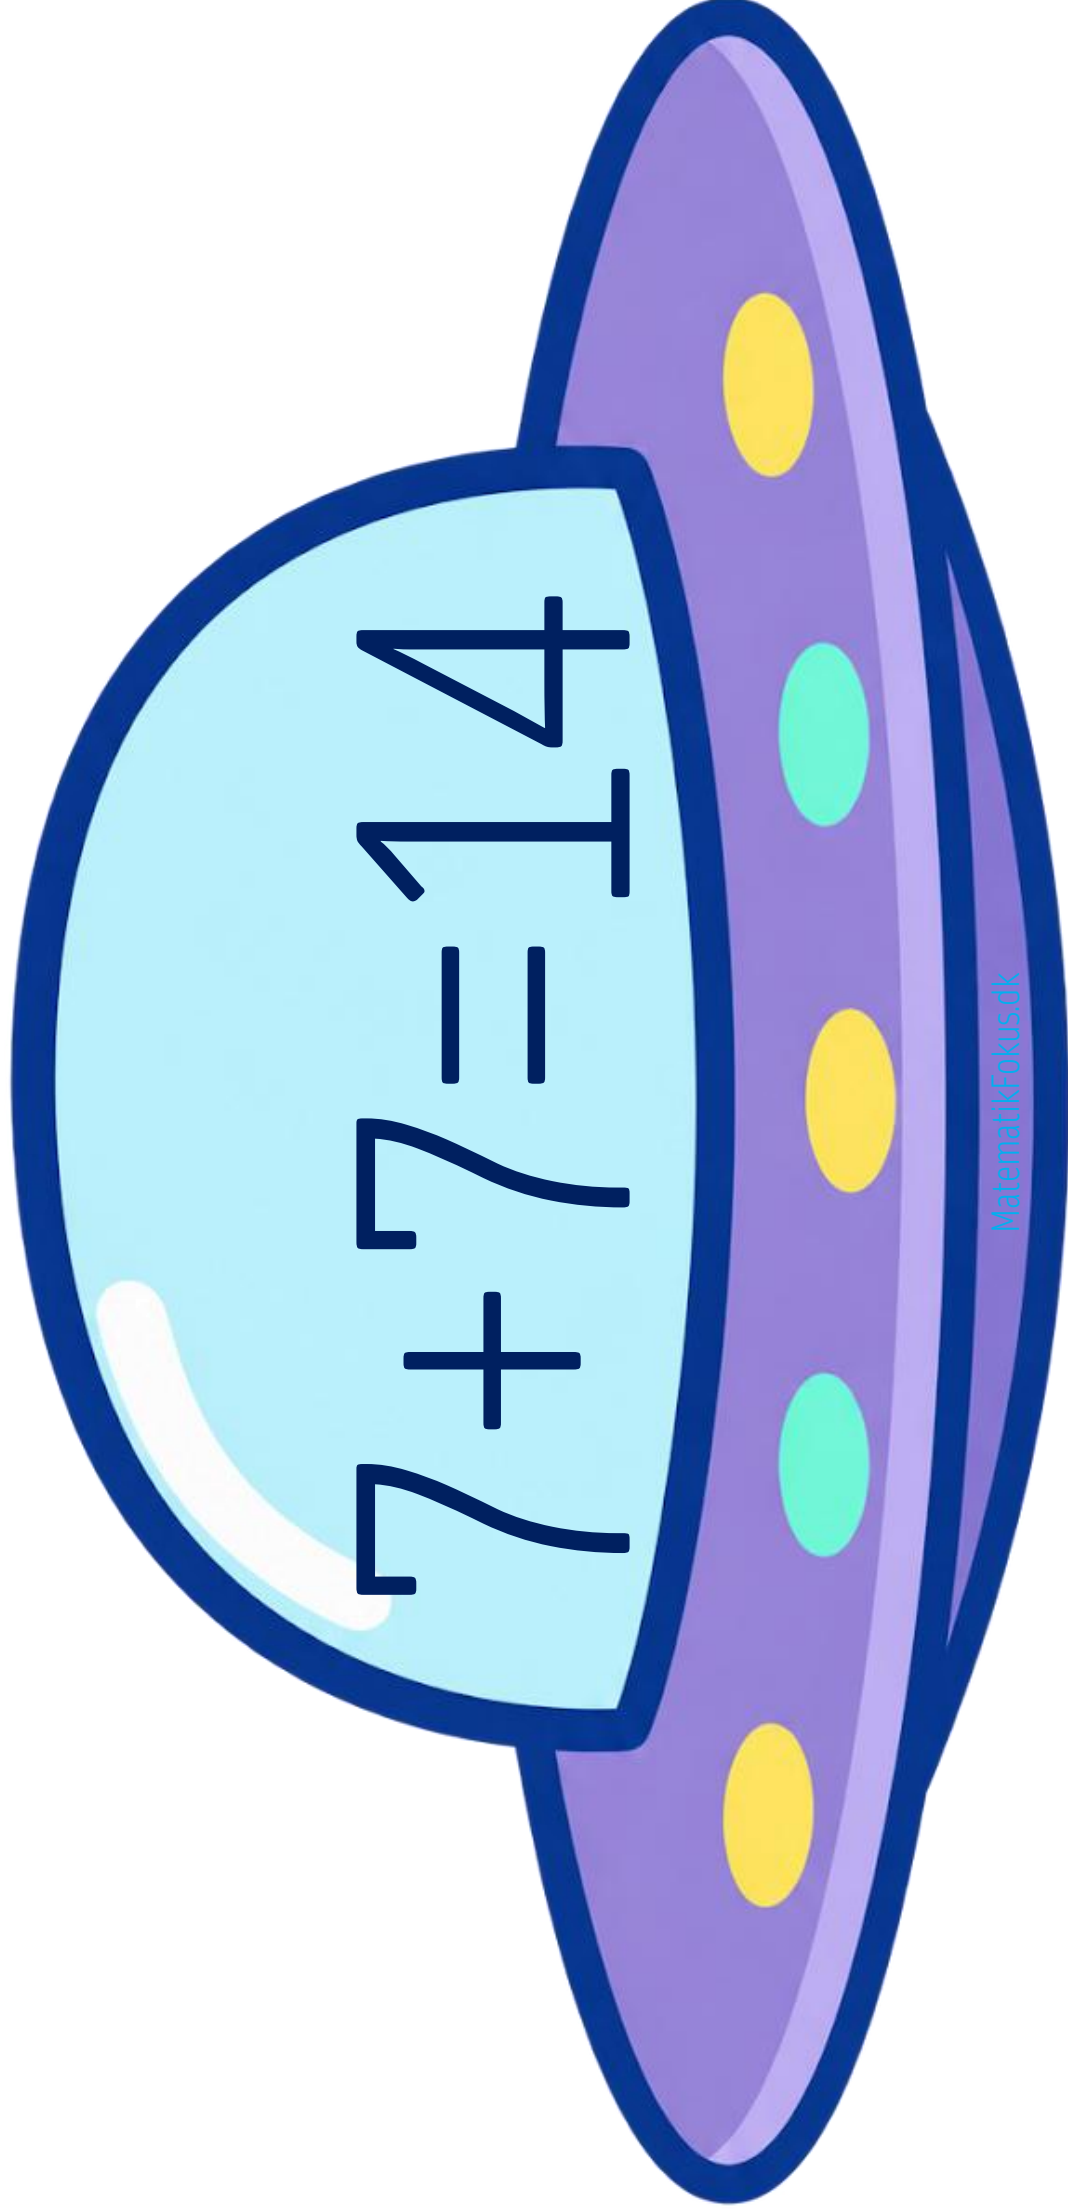

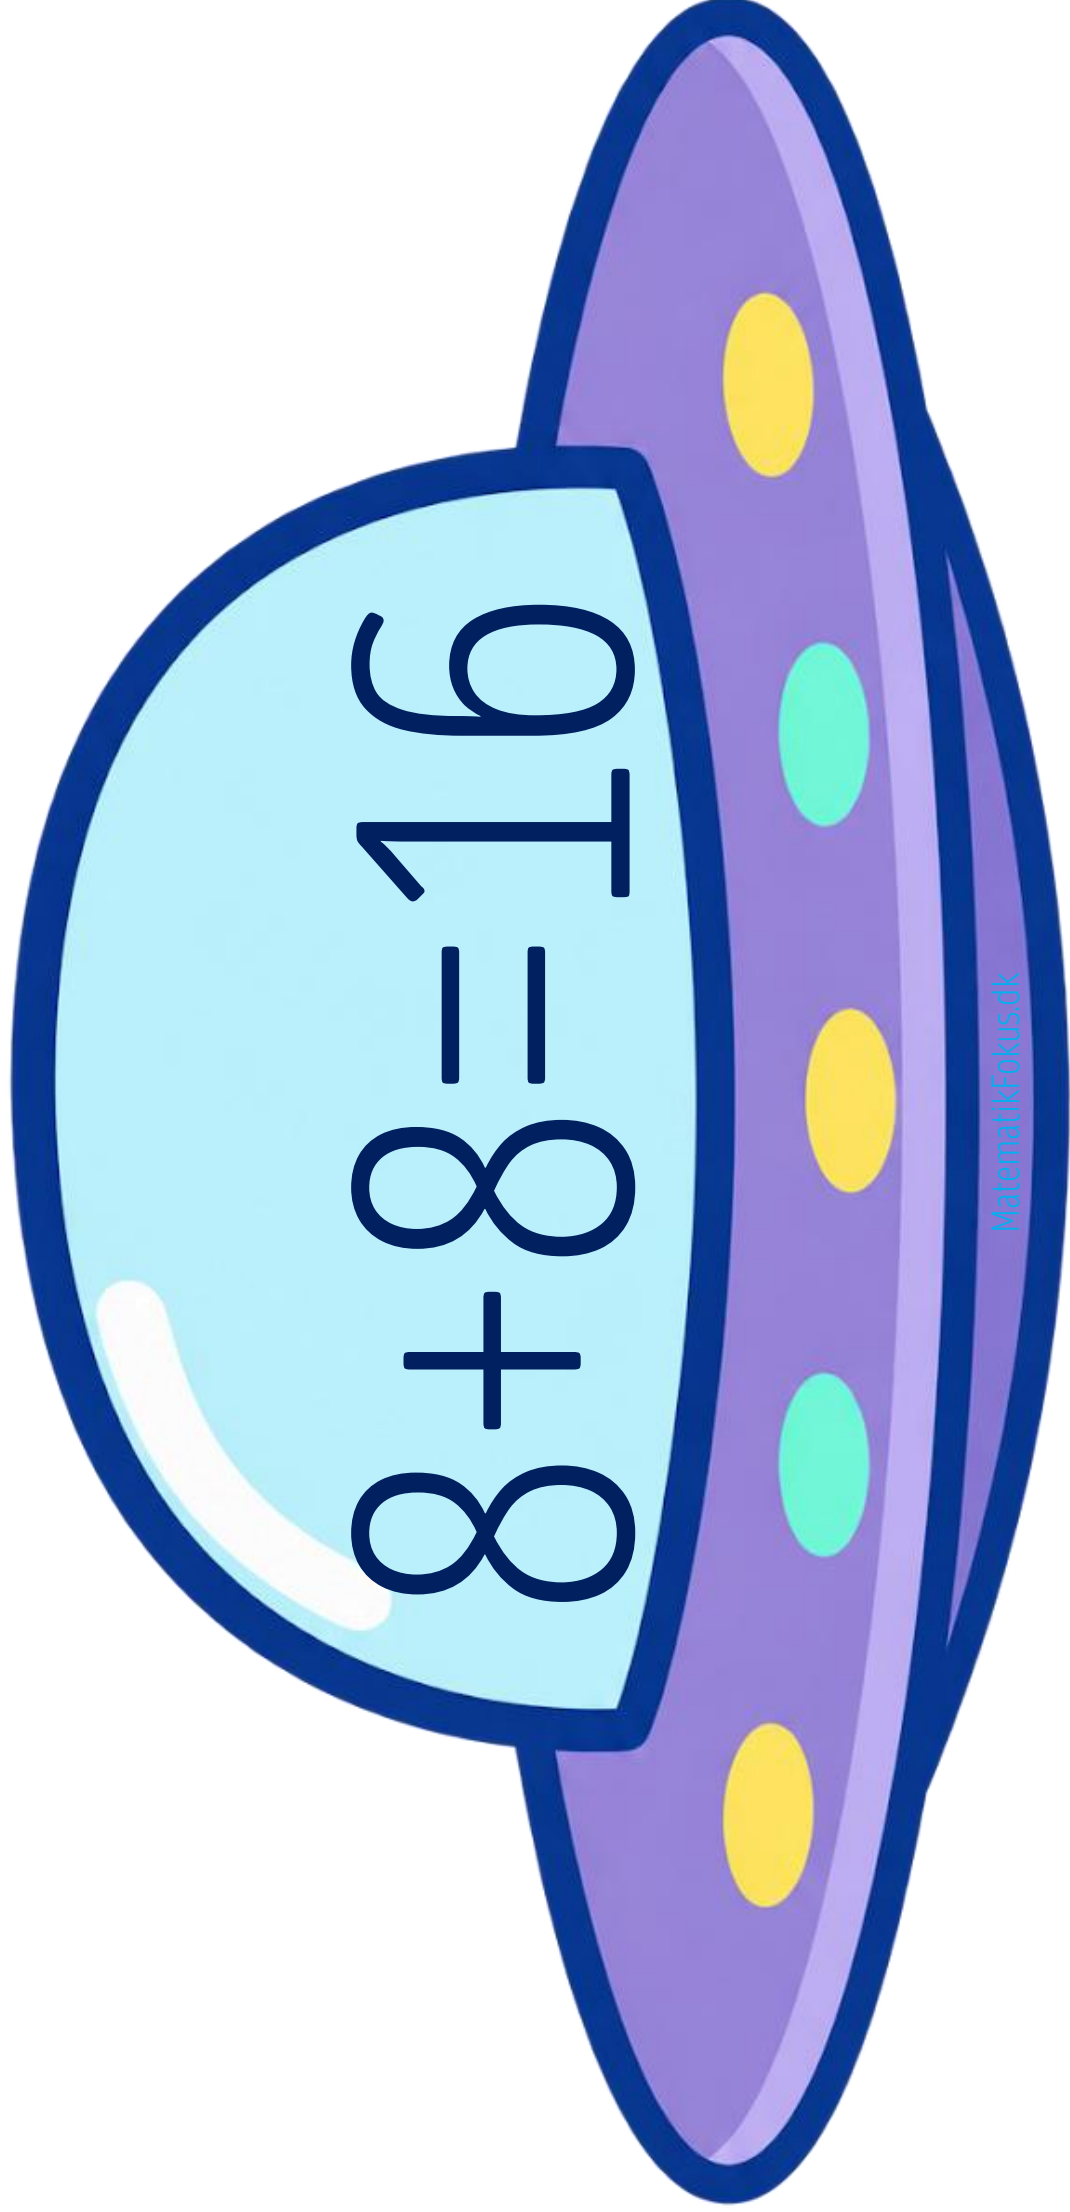

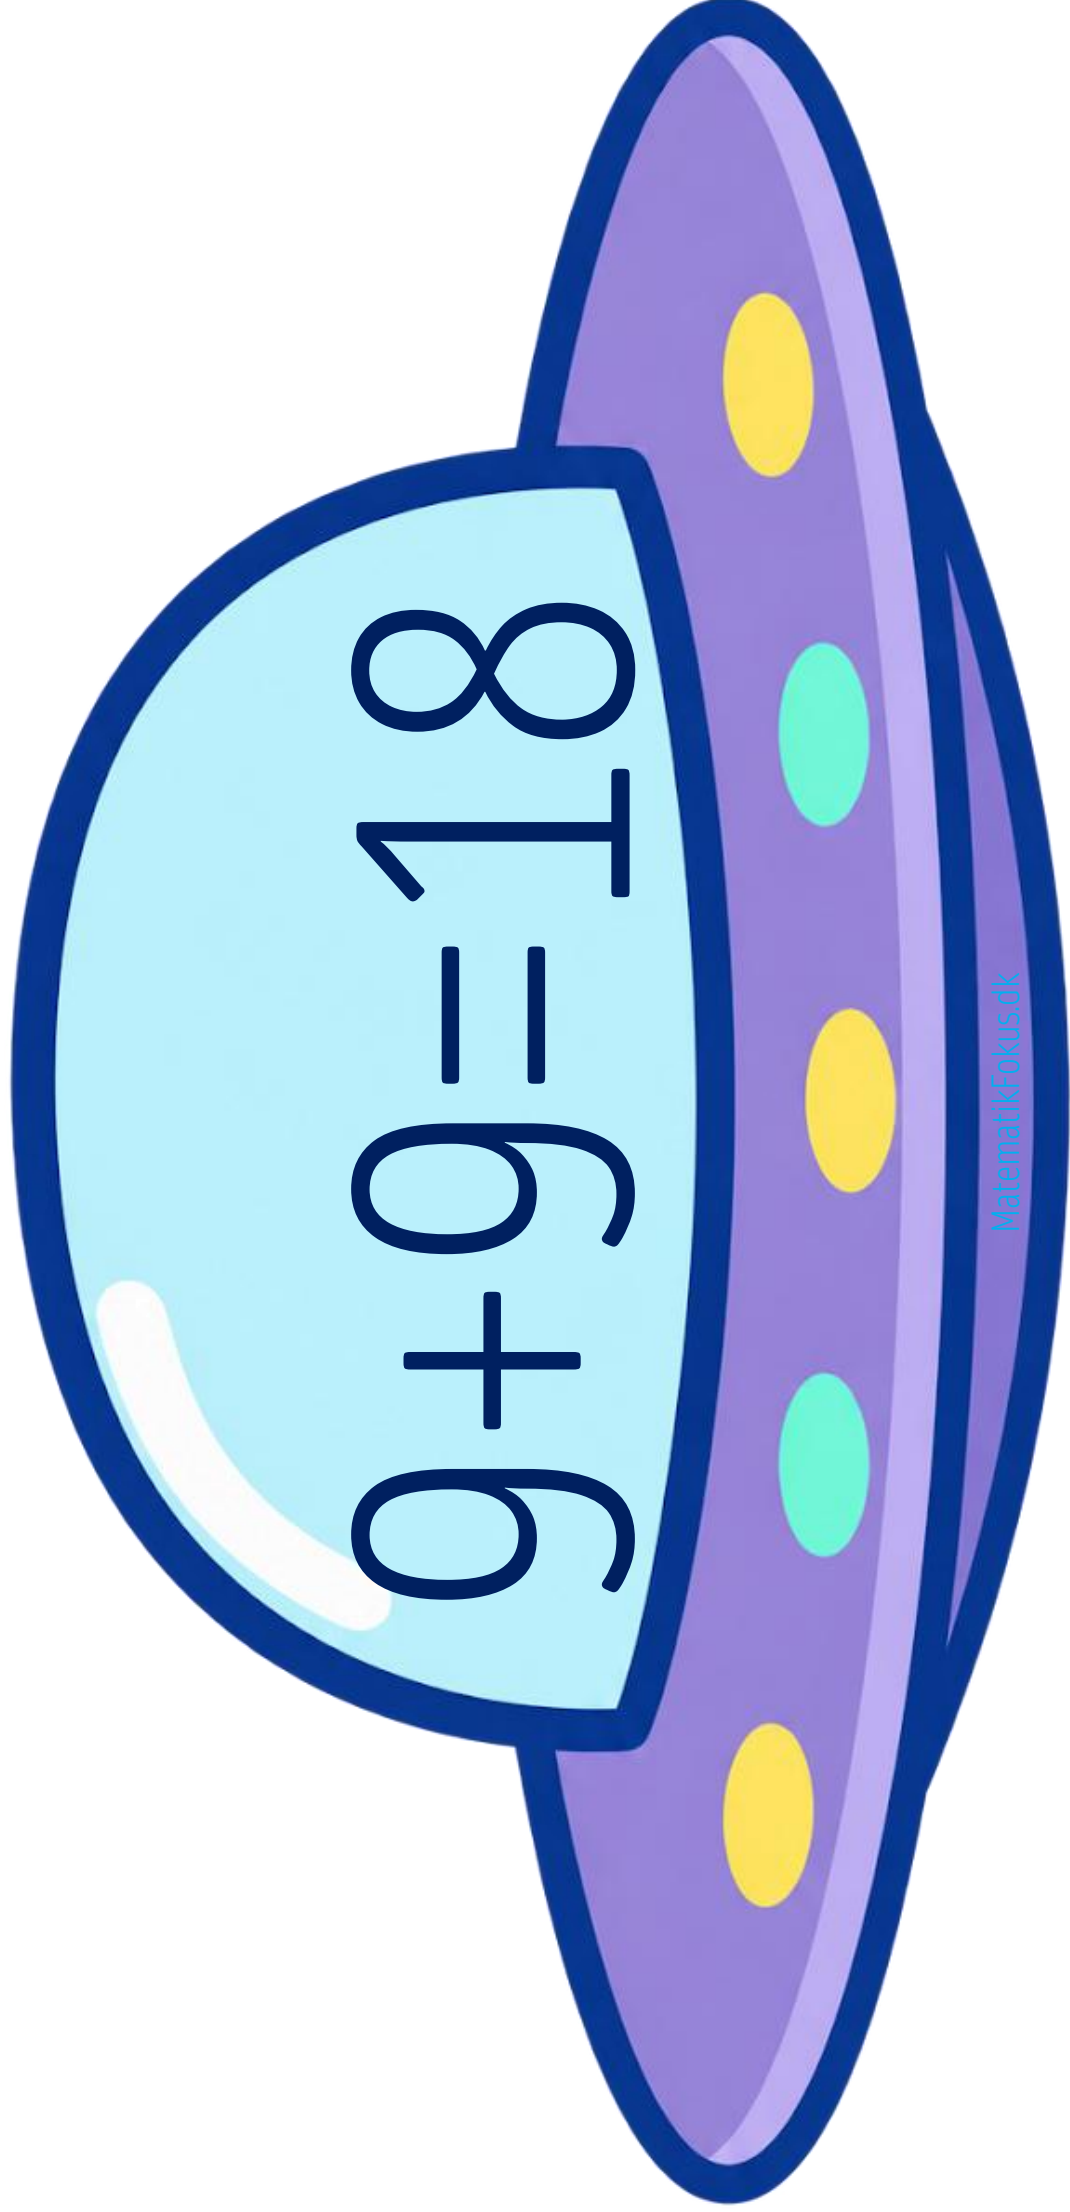

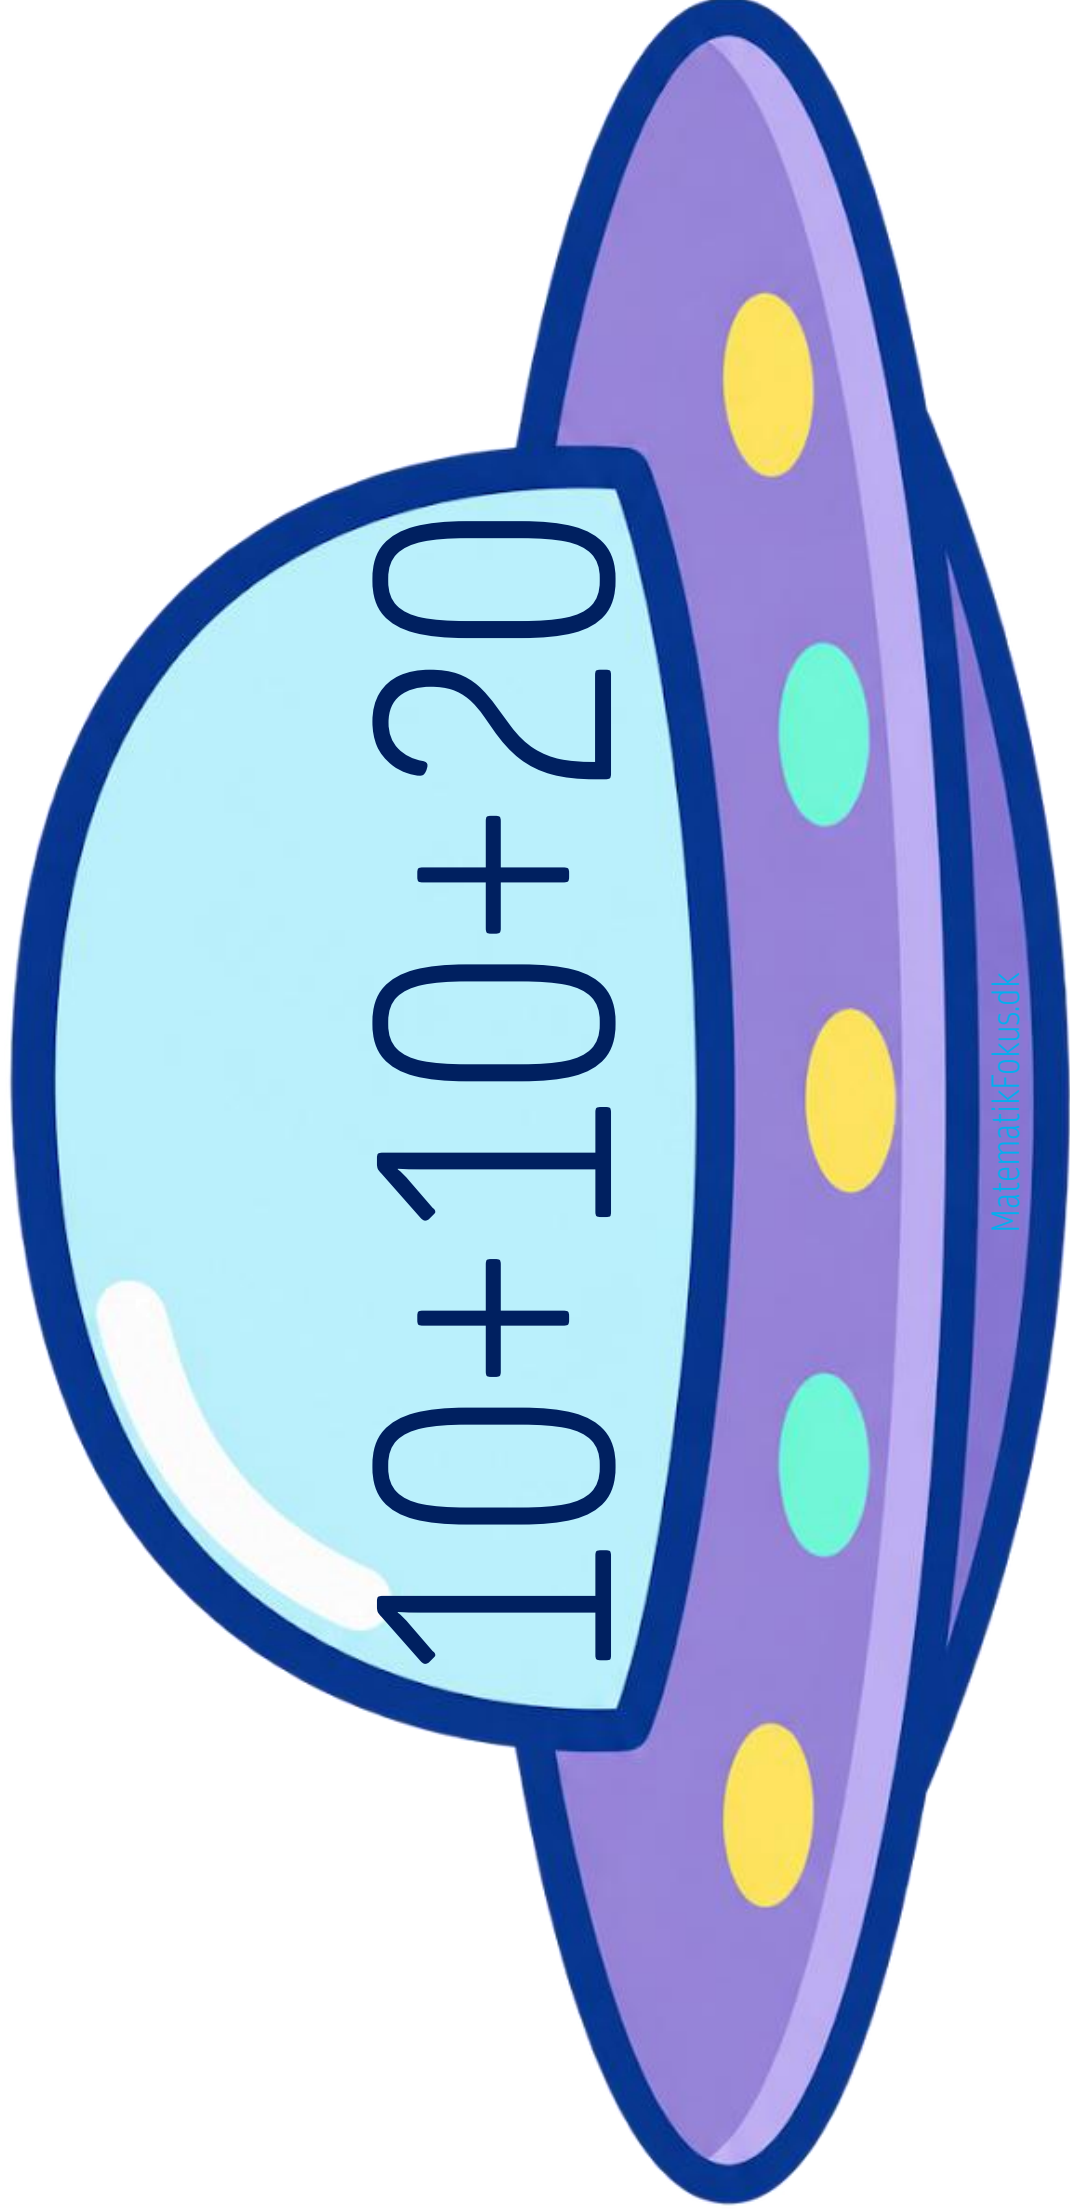

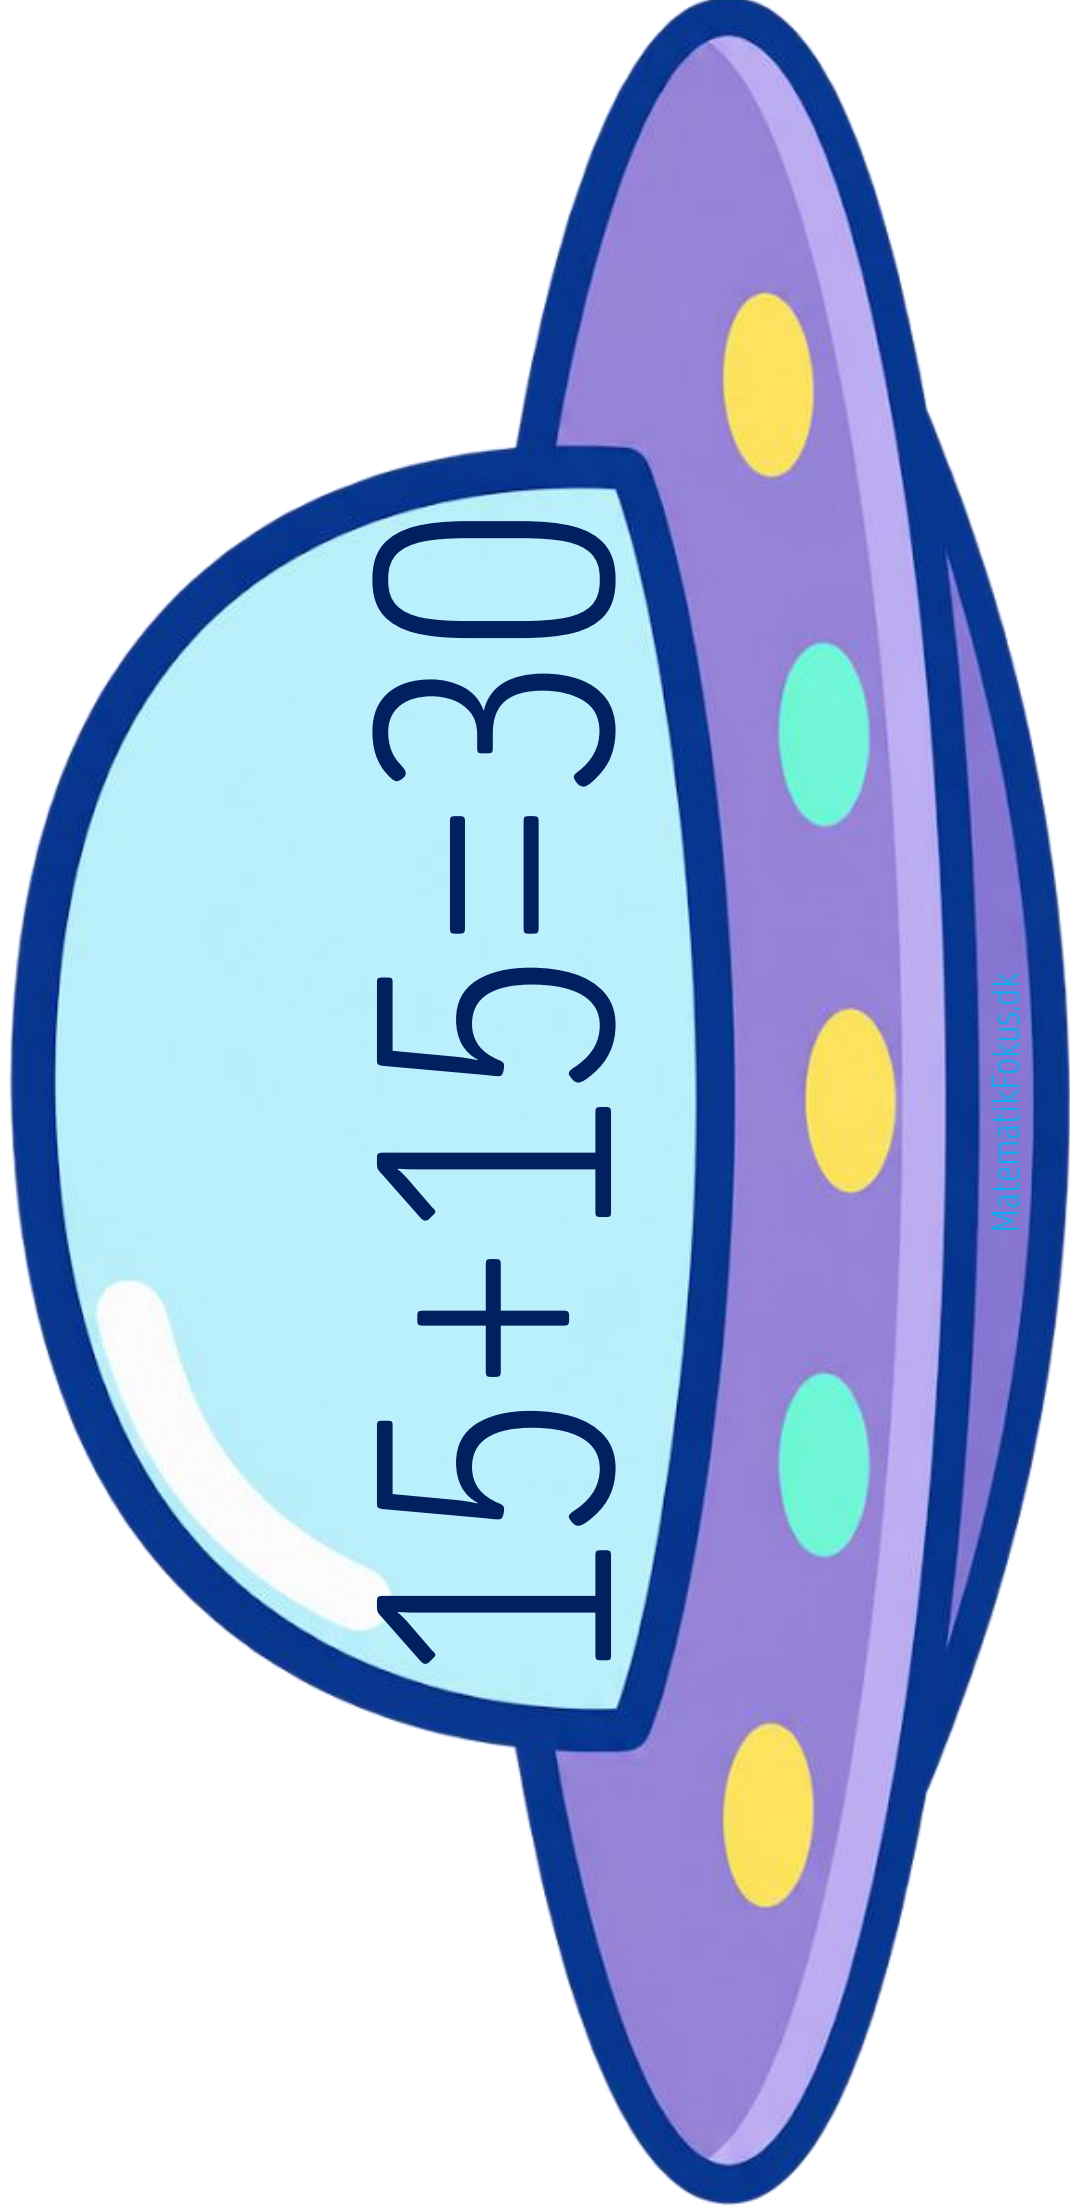

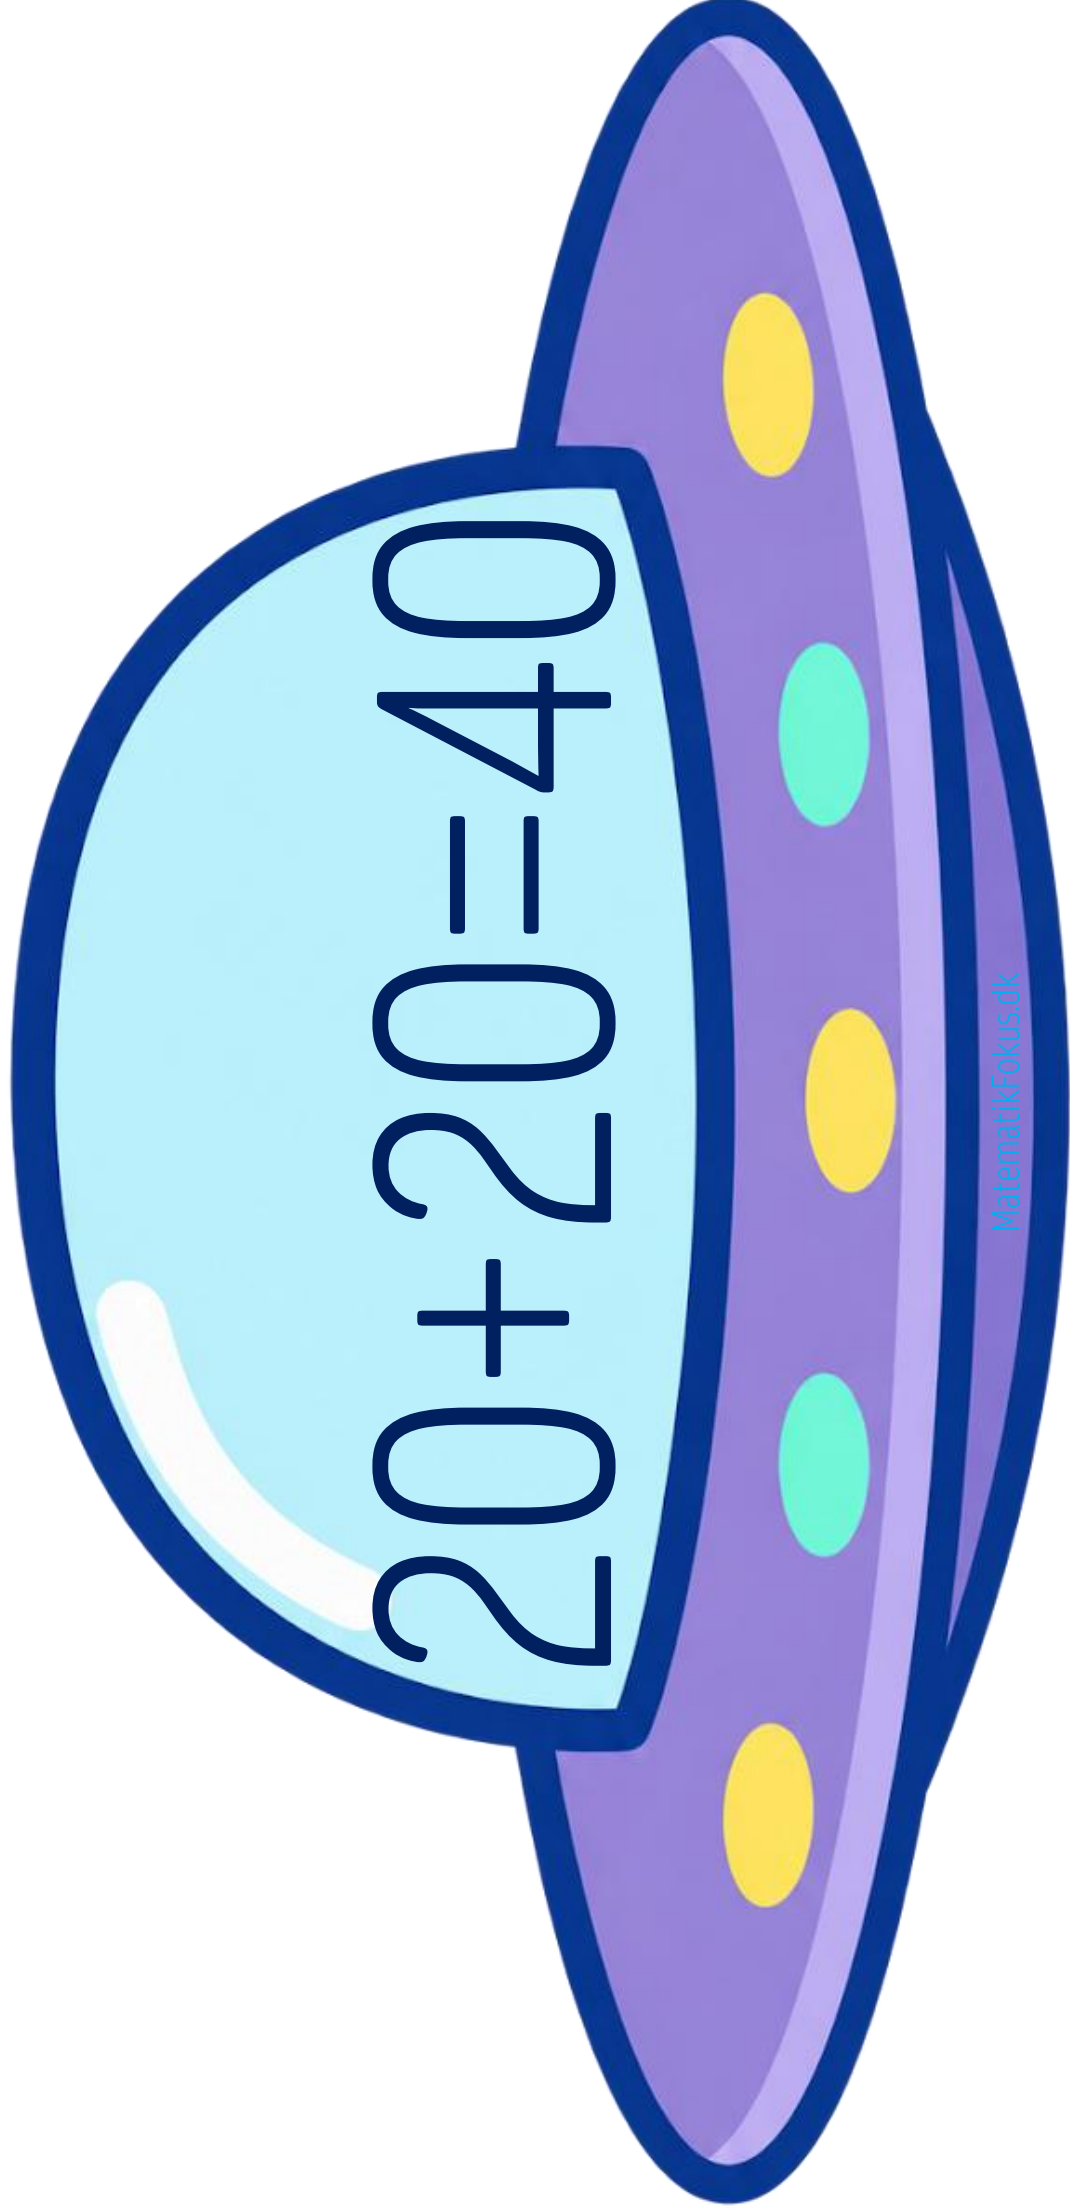

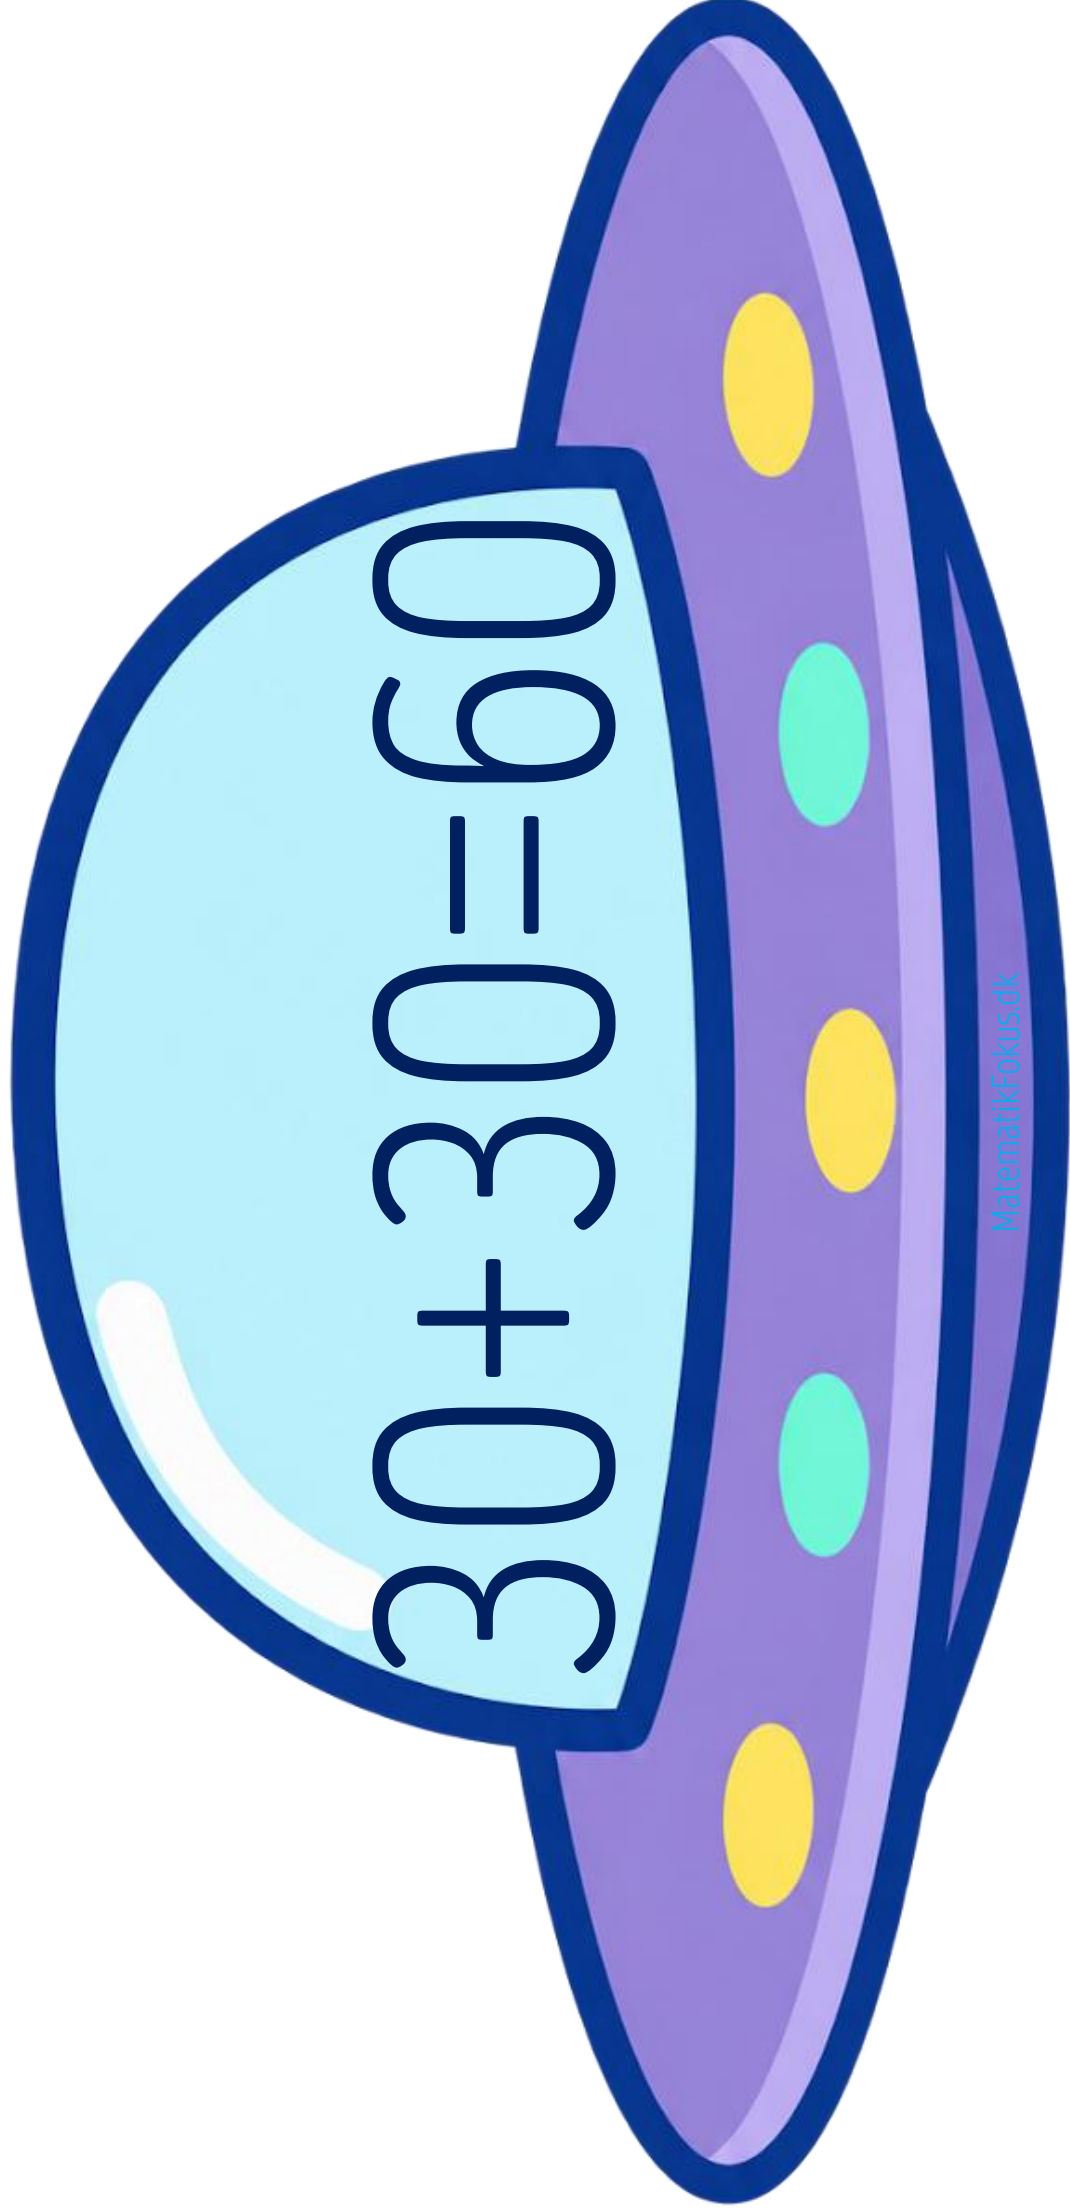

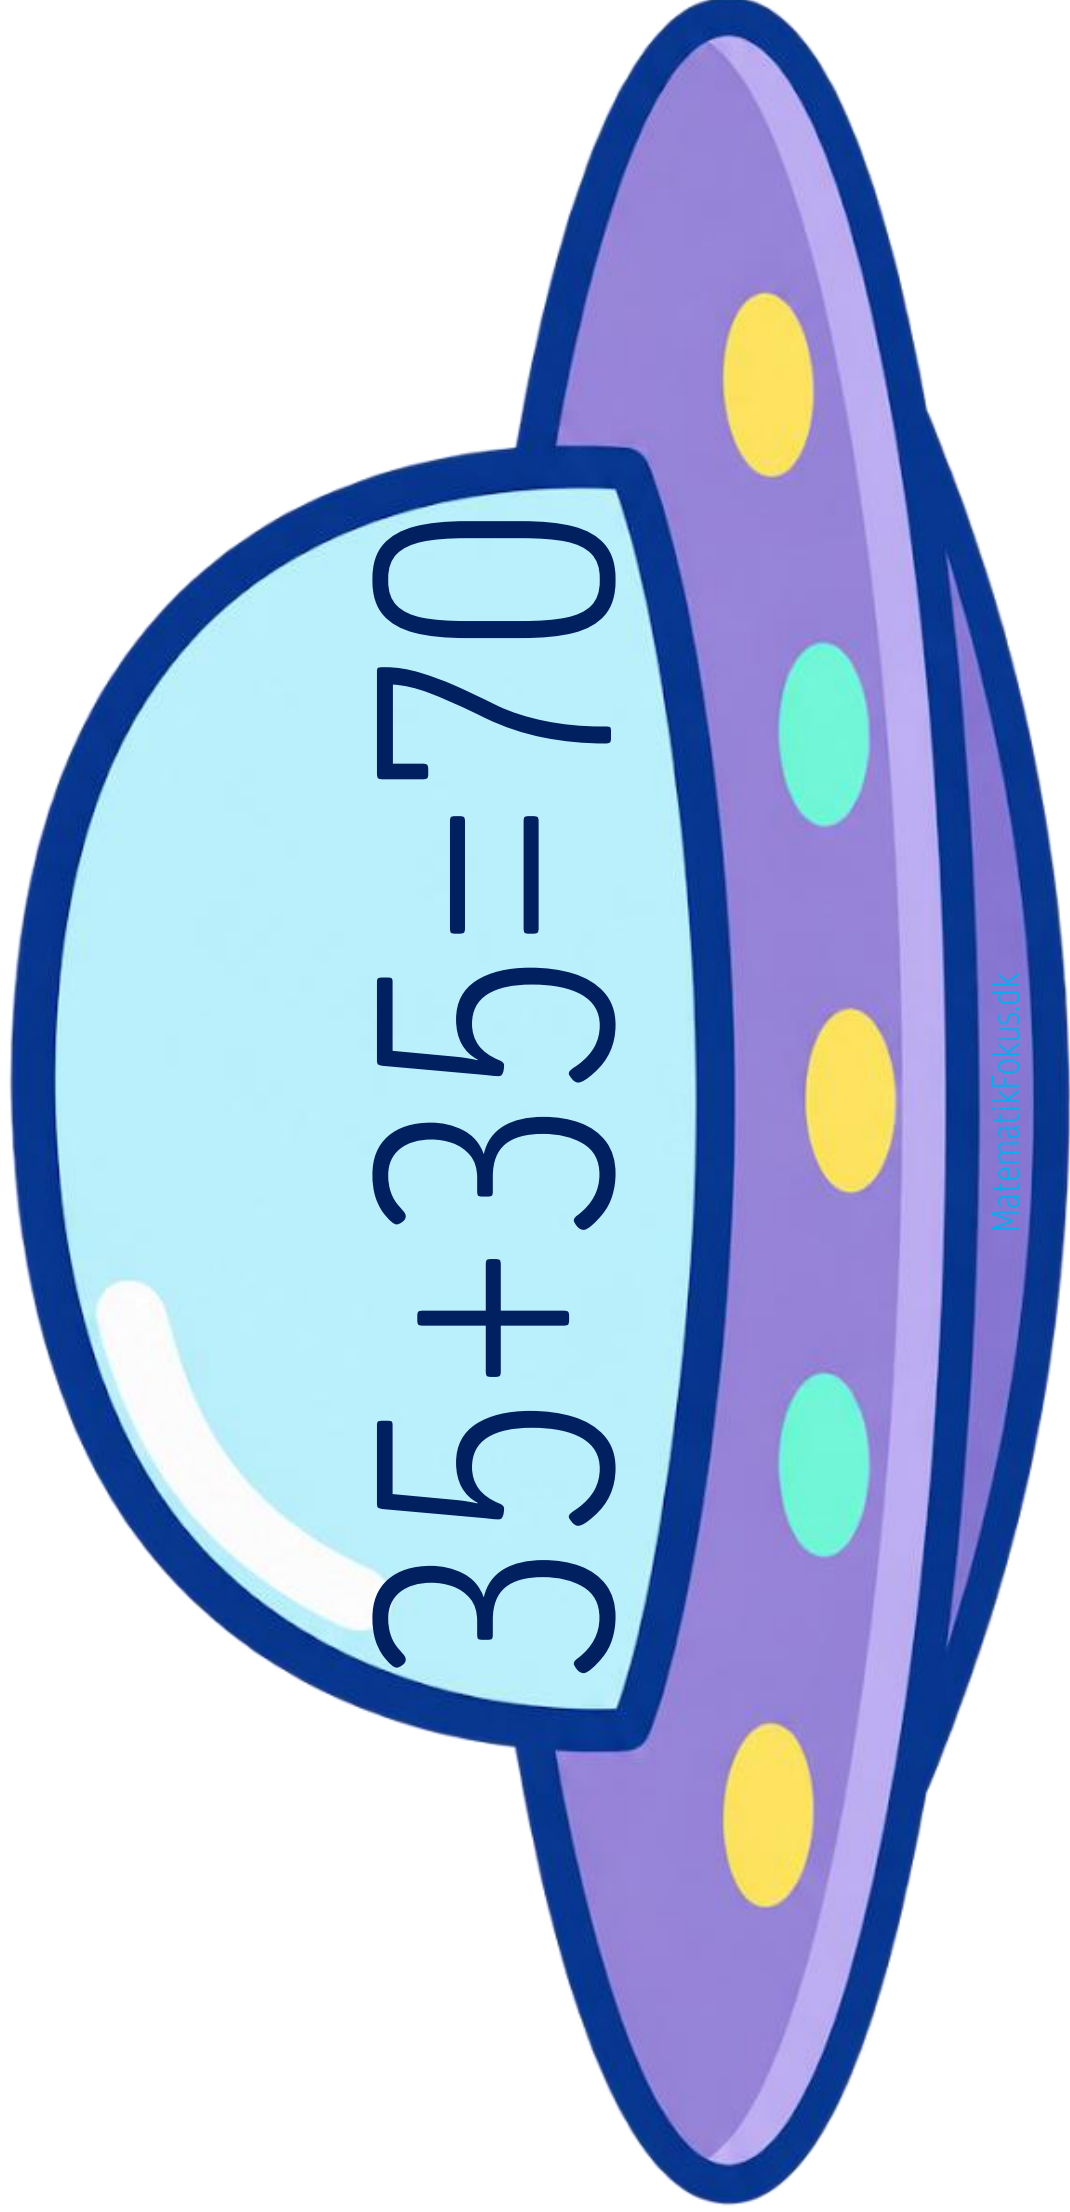

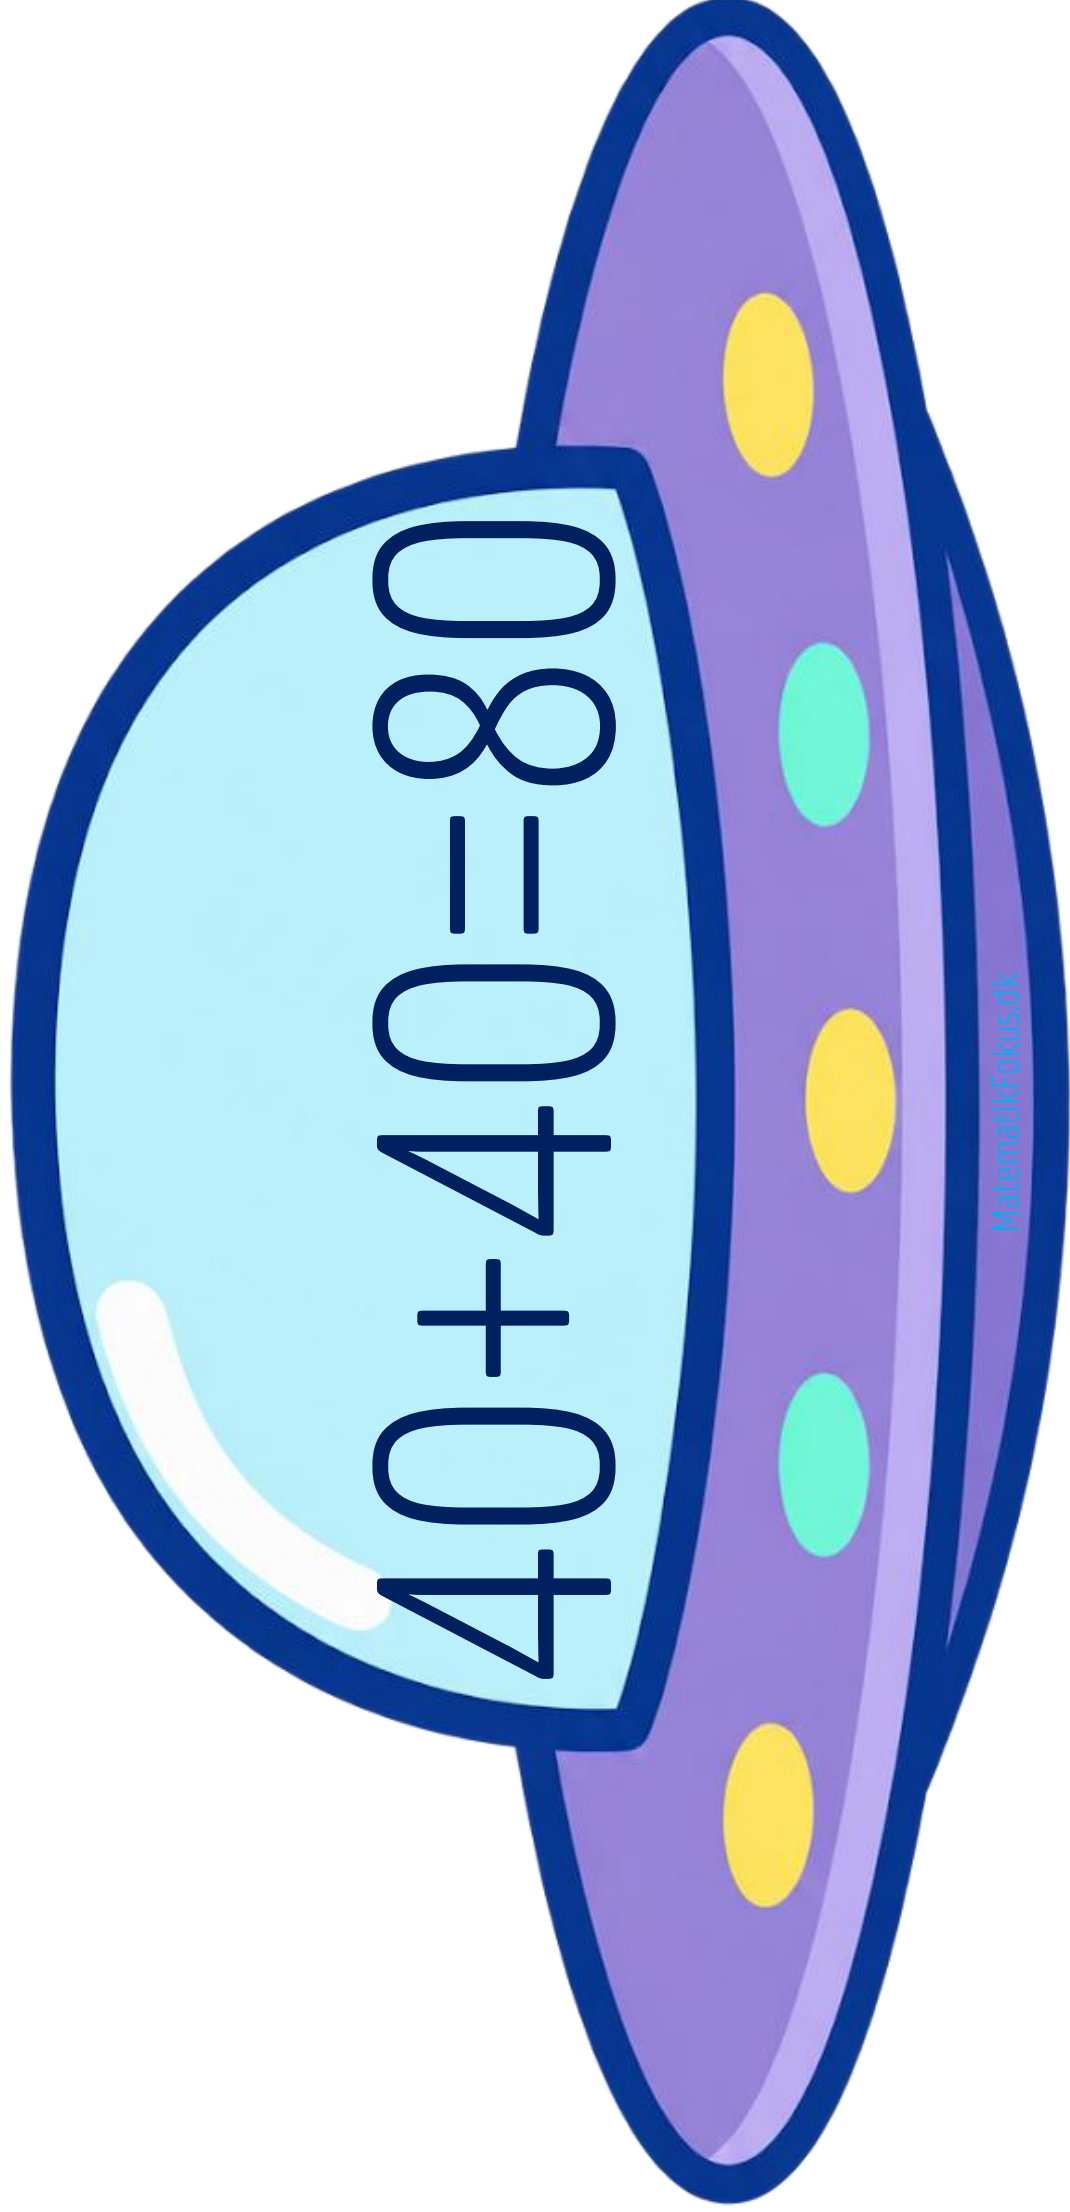

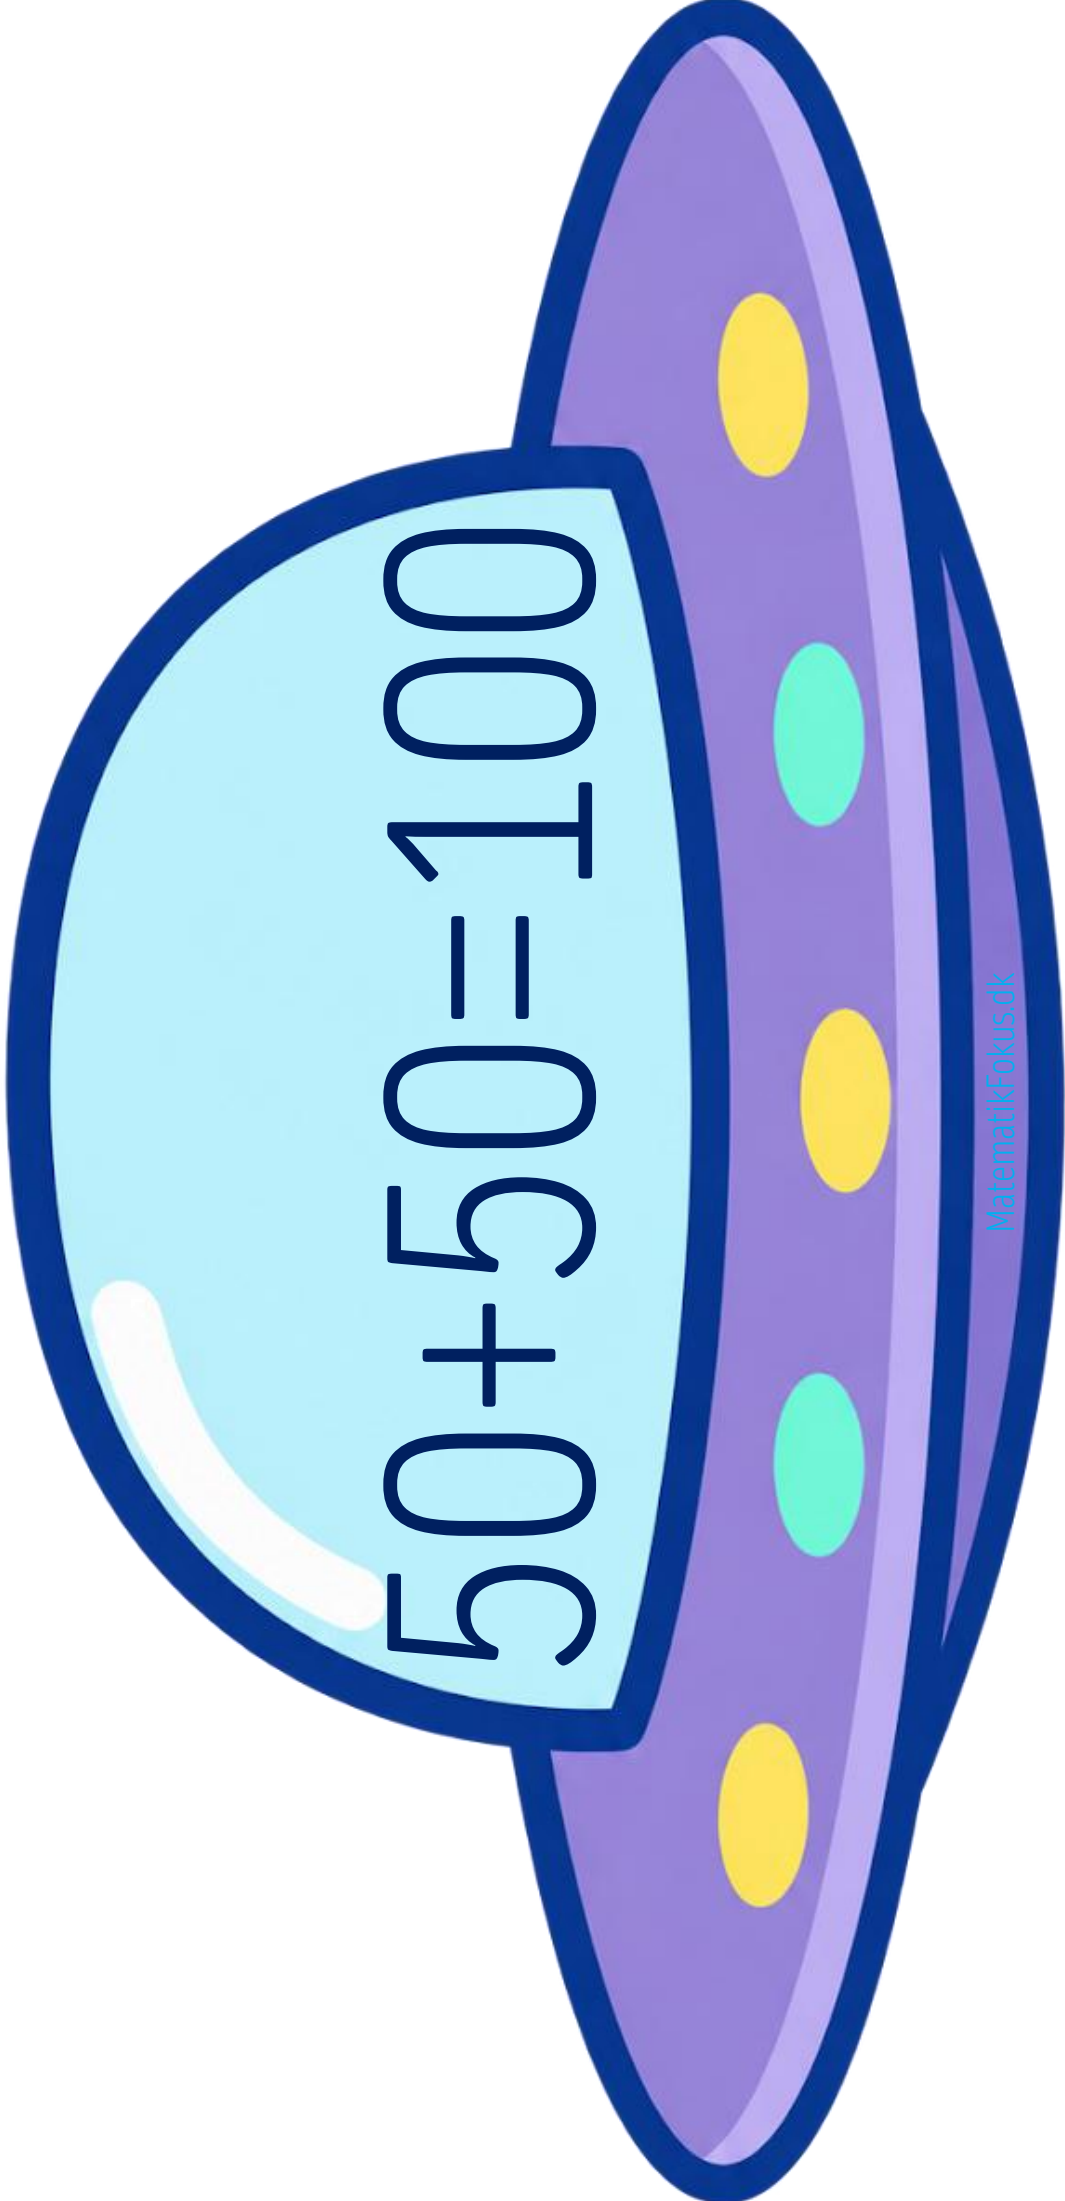

$$50+50=100$$
